

School Profile

2026 – 2027

Heidelberg International School is a K-12, non-profit, International Baccalaureate World School offering the Primary Years, Middle Years and Diploma Programmes. All courses are offered in English (except language-specific courses), and all students are offered the full IB Diploma. Almost all H.I.S. students pursue four-year undergraduate degrees at selective universities around the world. H.I.S. does not rank students nor does it calculate a GPA.

Curriculum highlights

All H.I.S. students pursue the full IB Diploma. The IB Diploma requires completion of six academic subjects over two years, and Theory of Knowledge. All IB Diploma candidates complete a 4,000-word Extended Essay research paper in Grade 12. Some students opt instead to take certificates in IB subjects or to receive the H.I.S. Diploma. Grade 10 students receive the IB MYP Certificate. MYP Science is a combined course covering Biology, Chemistry and Physics, including laboratory work. It is the only science course taught in Grades 6 to 10.

Learning beyond the classroom

Community Service is an important part of the curriculum at H.I.S. and students support many projects locally and around the world, such as a Community Project in Mayana (Namibia), Habitat for Humanity, and community service work in the greater Heidelberg area. After-school activities are offered to Primary and Middle School students. The Middle School Homeroom Programme includes activities such as individual inquiry projects, debate and public speaking, Model United Nations and individual and team sports.
